I am available July 5, 6, 11, and 12.

Tom - Is the working group meeting definitely going to be on July 24? I had not heard this new data and will have to do some schedule rearranging to attend.

thanks - Kathy

Unfortunately I'm really not available any of those days. I am on vacation the 5th and 6th and in training the 11-13th. I could conceivably do something the afternoon of the 6th but won't have a computer so as long as I don't need to reference any documents I should be OK. I'll have my blackberry.

Subject: Pavillion Pit Workgroup Call

Hi Everyone,

I guess our next scheduled Pavillion workgroup public meeting will be taking place in Casper on July 24. I was informed that prior to that public meeting the pit workgroup should hold a call to address concerns from EPA that the WOGCC pit closure requirements may be less strict than WDEQ's requirements.

So, there are only a few days prior to that July 24 meeting that I am available. I am out of the office the week of July 16 and have Commission hearings on July 9-10. So I am available on July 5, 6, 11(morning), 12, or 13. Please respond at let me know if any of the dates I stated are good or bad for each of you and I will get a call set up and provide call in information at that time.

I think the well integrity workgroup will be having a call as well but I don't have any specific information - can't remember if anyone is in both groups?

Thanks,
